Dear Prospective Students,

As you no doubt know, Tunghai University, as all other universities in Taiwan, has temporarily switched to 100 % online teaching and learning from May 17. We have done this in accordance with the decision made by the Ministry of Education during this time of Level 3 epidemic preventions.

Personally, as a teacher and the FLLD Department Chair, I support this decision; our first duty is to make sure that all our students and teachers are safe and secure during this difficult time.

At the same time, I also hope that we will be able to control the outbreak of the epidemic soon and return to a more normal work environment. I enjoy the contact with my students enormously and always have a good time when teaching and interacting with students on campus. I say this from the bottom of my heart. Even after many years of teaching at Tunghai, I still feel the same way.

I assure you, therefore, that my colleagues and I will do everything we can to keep the FLLD functioning normally over the next few months, and we will be happy to answer any questions that you may have during this time. Feel free to write me at hvynck@thu.edu.tw or contact our staff at fllld@thu.edu.tw or do call our office at 04-23590121 ext. 31200-2.

Any questions about our curriculum, teachers, registration procedures, and so forth are welcome. So, do not hesitate to contact us.

Best wishes to all and looking forward to seeing you in Tunghai next semester.

Dr. Henk Vynckier, Professor and Chair
